SOME THINGS THAT YOU SHOULD KNOW....

DISCLAIMER

The information contained within this catalogue is based upon data which Oz Wide Starters believe to be true and accurate and supplied from various reliable sources. Whilst considerable time and great care has been taken to ensure the accuracy of contents, Oz Wide Starters assumes no responsibility or liability for any errors or omissions in any of the information contained herein. OEM names, descriptions, part numbers, interchanges and images are provided for reference purposes only and the inclusion of the OEM name within product description does not suggest or imply the actual manufacturer for the products that we supply. Specifications and features of any product contained herein may vary at any time without notice due to change of manufacturer, availability, or other unforeseen reasons.

FREIGHT SERVICES AND CUT-OFF TIMES

We use **Startrack Priority, Startrack Road Express, Australia Post Express Post** and **Couriers Please**. Most orders are shipped via overnight service, but we always give you the choice based on which company works best in your area, or whether price or delivery time are your main considerations for the order. Our **cut-off time** to dispatch orders same day is **3pm AEST Mon - Fri**. We give priority to orders on a first in, first served basis, so orders placed close to cut-off time during peak periods or orders requiring technical advice to determine correct item may not be able to dispatch same day.

Whilst all efforts are made to get orders out ASAP, once goods are dispatched, Oz Wide Starters is not responsible for any delays in delivery. All of the freight service companies allow up until end of business hours to deliver. Please allow sufficient time for them to deliver before phoning.

NOTE: All invoices generated include the freight tracking number next to freight method. Please review the number and if necessary check tracking online with carrier before phoning Oz Wide Starters.
